Appln No. 10/566,144
Amdt date December 5, 2006

REMARKS/ARGUMENTS

Claims 1-25 have been amended to correct the improper multiple dependent language of the claims.

The clean copy of the Specification, Exhibit A, is an amended version of the specification of the English translation of the PCT Application. The compare copy, Exhibit B, shows the changes in the clean copy of the specification, Exhibit A, over the text of the English translation of the PCT Application. No new matter was added in the clean copy of the specification.

An Abstract is also included in the clean copy of the Specification, Exhibit A.

Waiver of the rules is requested to accept and examine the specification and claims in the form presented herein due to the number of changes.

The clean copy of the specification, Exhibit A, and the claims in the Preliminary Amendment are to be Examined.

It is respectfully requested that the foregoing preliminary amendment be entered prior to examination.

Respectfully submitted,
CHRISTIE, PARKER & HALE, LLP
